

Electronic Documents

**Upon invocation of this clause, Supplier shall abide by following Century Fastener's Terms and Conditions on delegation from Parker Aerospace's behalf.*

The accuracy and authenticity of electronic documents and forms submitted to Century Fasteners is of highest importance. The following rules apply and may be subject to review by Century/Parker at Suppliers facilities:

The issue of electronic documents and application of electronic signatures must be under the direct control of the individual whose name appears on the electronic document. The electronic signatures may only be applied at the place where the individual is located and the individual must have direct access and responsibility for the products or services described in the electronic document. The application of the electronic signature certifies that the signature (individual) represents an authorized company official. For Century Fasteners/Parker Aerospace, the use of electronic forms and signatures must be described in and governed by Supplier's documented procedures..
