

Government Owned Equipment (GOE)/Customer owned Equipment (COE)

*\*Upon invocation of this clause, Supplier shall abide by following Century Fastener's Terms and Conditions on delegation from L3 Harris Technology's behalf.*

When goods owned by Century / L3Harris customers are returned for evaluation, repair or upgrade; the goods will be identified as such by Century / L3Harris with a GOE/COE tag. Upon receipt, the supplier shall verify quantity and inspect for visible defects/damage, which includes findings in an incoming inspection log. GOE/COE goods shall be segregated from other material while in storage and where feasible while in the evaluation, repair or upgrade process.

The GOE/COE tag shall remain affixed to the goods at all times. Where the evaluation, repair or upgrade process does not allow for this, the tag shall travel with the goods and be re-affixed prior to shipment of the goods to Century / L3Harris.
