

Configuration Management

**Upon invocation of this clause, Supplier shall abide by following Century Fastener's Terms and Conditions on delegation from L3 Harris Technology's behalf.*

Supplier has the responsibility to ensure that only the current issue of drawings and specifications are available for use, as well as internal or external to their organization as it relates to the purchase order. It is the responsibility of the supplier to question and resolve any conflicting or ambiguous requirements prior to order fulfillment. All discrepancies found related to L3Harris documentation, design, tooling, fixtures, software, firmware and special or manufacturing process shall only be resolved through the use of the SIN form (FM1192) and submitted to L3Harris SQE. Until Supplier receives an approved SIN FM1192 from L3Harris with designated ECO and ECR implementation of parts are not permitted to be shipped.
